Game Improvements/Changes

- Updated the “Cars Owned” stat functionality in the Profile Screen
 - “Cars Owned” will now match the behavior of the Garage Overview screen
 - In previous updates, if a car appeared in both the Motorsports Career and the Road Collection, it counted towards your number of Road Cars *and* your number of Motorsports cars in the Profile screen.
 - As of this update, these cars will only count towards one Group based on their car type.
- Various improvements to the readability of the Tuning Graph
 - We’ve removed the “Recommended” and “Average” data points
- Daily Race Updates
 - Added the Bentley Continental GT3 to Main Menu Daily Race events
 - Added Circuit de Catalunya to Formula 1® Daily Race Events
- Added Circuit de Catalunya to 2020 Formula 1® Champion Series
 - *Additional tiers will be added to 2020 Formula 1® Invitation Series content in a future update*
- Disabled Halloween Vinyls. Holiday Vinyls are now active for supported vehicles.
- The Ford Shelby GT500 Day of the Dead TTC livery is now unlocked for all racers
- Social Network Login Update
 - As of this update, Sina Weibo is no longer supported.
 - Players who only used a Sina Weibo account to log into Real Racing 3 will be logged out when opening the update for the first time
 - Players who update from 8.8 to 9.0 without uninstalling Real Racing 3 will not lose access to their save data
 - Deleting the 8.8 Update and then installing the 9.0 Update may result in losing access to your Save Data
 - For more information on Cloud Saves, please view our Help Center
